

RISING STAR

STUDENT SCHOLARSHIP

Are you passionate about renewable energy and interested in pursuing a career in offshore wind or ocean renewable energy?

Oceantic Network's Rising Star Student Scholarship recognizes exceptional students who have demonstrated impeccable academic achievement and a keen interest in the offshore wind and ocean renewables industry.

The goal of the Rising Star scholarship is to increase accessibility to the industry for young leaders and foster future trailblazers to ensure the future growth of offshore wind and ocean renewable energy. Each awarded scholarship is for a total of \$5,000 (which must be used toward tuition fees).

Don't miss out on this chance to kickstart your career in offshore wind! Apply now and seize the opportunity to make a difference in the offshore renewable energy sector.

APPLY TODAY 

Important Dates & Deadlines:

- **March 4: Applications open**
- **April 29: Applications close**

Who is eligible to apply?

High school students currently in their senior year (class of 2024) intending to enroll full time in a two or four-year college or university beginning fall 2024.

Applicants must be able to demonstrate:

- Excellent academic achievement
- Community service
- Involvement in a school project(s) related to an aspect of offshore renewable energy, and/or an internship working with companies involved in the offshore renewable energy industry.
- Applicants will be judged by academic industry leaders and Oceantic Network Board members based on their interest in pursuing a career in offshore renewable energy, academic achievement, and financial need.
